**AdaptiveComms**  
Successful in Communication

# Mobile Phones For Business

## Why choose AdaptiveComms

AdaptiveComms **specialise** in meeting the mobile communication needs of the business market.

By working in partnership with all the major UK mobile networks we will help you get the **best value** contract, whatever your needs and then provide a **top quality support** service throughout the life of your contract.

- **Free Consultancy**
- **Tailored Solutions**
- **One to one account management**
- **Experience**
- **24-hour helpline**
- **Responsive service**

We offer a **complete range** of phones, PDA's, Data connections and accessories across all manufacturers and networks. We are also BlackBerry and Apple accredited.

## Here is what some of our customers have to say...

"AdaptiveComms have been proactive in seeking the best tariff and the best handsets to suit our needs. We have just renewed our contract with AdaptiveComms for the third year running"

**Gary Harrison, Director, Western Environmental**

"The change was smooth and seamless thanks to the AdaptiveComms team. I have found them to be friendly, honest and helpful, responding quickly to any problems that we have had, whether it be large or small. Their technical support is excellent."

**G Hodgkisson, Electrical Manager, Robinson Bros.**

"I am pleased with the service we have received from AdaptiveComms and would not hesitate in recommending James or the company to another prospective customer."

**Mike Cookson, Head of Business Systems, Gamma Global**
